The scope of experience of the certified person is given in Section 1 of the Schedule accompanying this certificate. This certificate is subject to the rules concerning its use and misuse. See overleaf.

The person holding this certificate is responsible for its correct use and shall take measures to prevent misuse such as modifications of its content.

In the case of misuse the ANB can initiate legal proceedings against the diploma holder.

NOTES:

1. The certificate is issued to the person named and is only valid for the period indicated. Certified persons should apply for renewal well before the expiry date in order to ensure continuity of certification. The certificate remains the property of the ANB.
2. Certified persons are obliged to follow the Rules of Professional Conduct described in Document IAB-341 - Appendix 4. Failure to do so may result in the certificate being withdrawn.
3. In order to discourage fraudulent use of certificates, employers presented with this certificate should only accept it if it is an original. In cases of doubt, verification should be sought from the ANB named overleaf.
4. Employers have the opportunity to use Section 2 of the Schedule to indicate if the certified person has been officially authorized by the company in accordance with ISO 14731 "Welding Coordination – Tasks and Responsibilities". If this Section is not completed by the employer it does not affect the validity of the certificate.
